

PHOENIX HOSPITAL RADIO

Another Year and more Shows, in fact on average 35 Hours a week live air time; this is mainly due to an influx of new members and quicker training by all presenters.

Unfortunately 2010 saw the end of Geoff Holden's Sunday evening show and John Topliss steps down today as Librarian after several years in the role, I would like to say a big thank you to Geoff and John for all their good work over the years.

Also this year Phoenix successfully applied for and was awarded a grant from Access to Volunteering to have a ramp built to help disabled members access the building more easily. This project has been completed and we are very happy with the results.

The Outside Broadcast Vehicle aka The Caravan made its last appearance at Queens Street Community Centre on 24th July. Unfortunately due to lacking volunteers with the technical skills to set-up and run an outside broadcast, the committee has stopped the service, hopefully temporarily. (But we still intend to do one a year The League of Friends & Phoenix Hospital Radio Dog Walk - every September)

As normal Phoenix is always looking out for fresh new volunteers, if you know anyone that can help out please get them to contact us via the website.

Thanks for all your help again!

Steve Cooper
Station Manager
